DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This area is a later extension of the Victorian subdivisions of the town of Rockville. The area generally runs from Manakee St., on the west, to beyond Laird St. on the east (where it merges with the W. Montgomery Ave. Historic District.) It is bounded by the rear lot lines on the north side of Beall Ave., and the rear lot line (for purposes of this survey) on the south side of W. Montgomery Ave.

Most of the houses are two-story, frame buildings, and the periods range from late-Victorian to mid-20th Century. The majority of the structures appear to be early-20th Century, Classical Revival homes.

It is expected that the local Historic District Commission will examine on block by block basis.

STATEMENT OF SIGNIFICANCE

This is a good example of well-planned, early suburban development. It reflects the style of residence related to the expansion of the county seat as a center of local government (prior to the WW II subdivision boom.)
